

- 1) Add Homeowners to Admin panel.
- 2) When you first signup. No emails are sent to DonePronto or Homeowner????
- 3) 1 - The Home screen is still wrong when logging on for the first time??
- 4) 1 - When you click Property on the Home screen for the first time, should go directly to information screen not add Property: Make the "Next" button the same colour as the other buttons (Blue).
- 5) 2 - When "Next" is clicked, go to "Photos/Videos" Tab next not "Documentation" and **only highlight "Photos/Videos" Tab.**
- 6) 3 – When Photo is selected, go to "Documentation" Tab and **highlight "Documentation" Tab only.**
